Terms of Sale

1. This is an unrestricted auction and mail bid sale conducted by Superior Galleries (SUPERIOR). Subject to SUPERIOR'S consent, all persons, including consignors, SUPERIOR, and its principals may bid on any lot.

2. A Buyer's Commission of ten percent (10%) on each individual lot will be added to all purchases made by all bidders except consignors, regardless of bidder's affiliation with any group or organization, and will be based upon the total amount of the final bid. THE BUYER'S COMMISSION WILL BE ADDED TO ALL INVOICES except for reacquisitions by Consignors in which case a reacquisition charge may apply.

3. All material shall be sold in separate lots to the highest bidder. If any dispute arises during or immediately after the sale of a lot, the Auctioneer shall have the right to rescind the lot sale and put it up for sale again. In all cases, Auctioneer's decision shall be final. For the bidder's protection, no ''unlimited'' or ''buy'' bids will be accepted.

4. Auction sales are strictly cash in U.S. funds payable through a bank in the United States. Lots must be paid for upon the sooner of receipt of invoice or delivery. NO CREDIT CARD PURCHASES WILL BE ACCEPTED. Bids will not be accepted from those persons under eighteen (18) years of age without a parent's written consent which acknowledges the terms and conditions of sale herein.

5. By bidding in this sale, bidder personally guarantees payment. If a corporation is bidder, the officers and / or principals of the corporation agree to personally guarantee payment.

6. Floor bidders and mail bidders who have not established credit with SUPERIOR must furnish satisfactory credit references or deposit at least twenty-five percent (25%) of their total bids for that session(s) or such other amounts as SUPERIOR may require before such bids will be accepted. Deposits submitted will be applied to purchases and any unused portion of such deposit will be promptly refunded.

7. Bids must be for an entire lot and each lot constitutes a separate sale. No lot will be broken up. Lots will be sold in their numbered sequence unless Auctioneer directs otherwise.

8. This is not an approval sale. All lots sold to the highest bidder as determined by Auctioneer are final. Floor bidders are encouraged to carefully examine all lots which they are interested in purchasing since NO LOT PURCHASED BY A FLOOR BIDDER MAY BE RETURNED, including those lots where the bidder is acting as agent for another, or to mail bidders who have examined the lot.

9. a. All items offered in this catalogue are guaranteed to be genuine. Claims to the contrary must be made in writing within ten (10) days after receipt of material.
   b. No lot may be returned without prior written consent.
   c. Questions regarding the minting of a coin as a proof or as a business strike relate to the method of manufacture and not to authenticity.
   d. If a lot is to be returned, it must be housed in its original, sealed and unopened container.
   e. Lots which are described as ''sold as is'' and/or ''without right of return'' may not be returned or rejected for any reason whatsoever, no matter if purchased by mail bidder or floor bidder.
   f. Late remittance constitutes just cause for revocation of all return priviledges for any reason.
   g. In no event may any lot be returned after thirty (30) days from the date of the sale.

10. Auctioneer reserves the right to open the lot at a reasonable price and to withdraw any lot at any time.

11. When identical bids are received by SUPERIOR for a lot, preference is given to the first bid received. A mail bid will take precedence over an identical floor bid; a floor bidder must bid higher than the highest mail bid to be awarded any lot. Auctioneer reserves the right to refuse any bid at his sole discretion.

12. Auctioneer cannot be responsible for errors in bidding. Please make certain that you bid on the correct lot and that your bid is the maximum (plus the ten percent (10%) Buyer's Commission) that you are willing and able to pay.

13. Sales tax, if required by law to be collected, postage and insurance plus the ten percent (10%) Buyer's Commission, will be added to the invoice for any lot(s) that is invoiced to successful bidders. All lots delivered in the State of California are subject to local sales tax. Individuals purchasing lots for resale must submit an exemption certificate signed by the purchaser or his agent and recognized by the State of California, with their current seller's permit number, or be subject to the local tax.

14. Title to any lot remains with CONSIGNOR until the lot is paid for in full. SUPERIOR reserves the right to require payment in full before delivering any lot to the successful bidder. It is the buyer's responsibility and obligation to have the lots fully insured while in his / her possession. Risk of loss is on the buyer.

15. In the event a successful bidder fails to make payment when due, SUPERIOR reserves the right to resell the merchandise and bidder agrees to pay for the reasonable cost of such a sale and also to pay any difference between the resale price and the previously successful bid.

16. Buyer agrees that any claim or controversy arising out of, or relating to the formation, interpretation or performance of these terms and underlying transactions or the breach thereof, is subject to binding arbitration in accordance with the rules of the Professional Numismatists Guild, except for any claim or controversy arising out of non-payment which may be referred to judicial proceedings at the option of SUPERIOR. Arbitration or judicial proceedings shall take place within the County of Los Angeles subject to the laws of the State of California.

17. If the auction invoice is not paid for in full when due per invoice terms, the unpaid balance will bear interest at the highest rate permitted by law until it is paid. If the matter is referred to an attorney for collection, bidder agrees to pay all attorney fees, court costs and other collection costs incurred by SUPERIOR. The courts of Los Angeles County, California, shall have exclusive jurisdiction and venue over any suit initiated by SUPERIOR to collect past due invoices and that the service of process by certified or registered mail, return receipt requested, shall be sufficient to confer ''in personam'' jurisdiction over bidder.

18. All photographs in this catalogue are of the actual coins, medals or currency being sold but may not be actual size.

19. SUPERIOR reserves the right to postpone the auction sale or any session thereof for a reasonable period of time.

20. Neither SUPERIOR nor the Auctioneer shall be responsible for incidental or consequential damages arising out of any failure of the terms and conditions of the auction and sale or the conduct thereof and in no event shall liability for any such failure exceed the purchase price paid.

21. Coins described with a grade by a Grading Service represents the opinion of that Grading Service and does not necessarily represent the opinion of the Auction Company and are offered here on an ''as is'' basis and not subject to return by any mail bidder or floor bidder.

22. Superior shall not be bound by any prior, or subsequent opinion, determination or certification by any grading service and such lots are sold under the condition that any claims to the contrary regarding grading, authenticity or methods of manufacture must be made in writing within ten (10) days of receipt of material. The descriptions contained herein represent the cataloguer's opinion or the opinion of a Grading Service where indicated as to the state of preservation and strike. No representation or warrantee is provided that lots purchased from this sale will meet the criteria for submission to any grading service.

23. Bidding in this sale constitutes acceptance by the bidder of all the foregoing terms and conditions of sale.

Grading is an art and not a science. The grades herein represent our opinion based on our experience. Therefore, it is possible that two people will not always grade the same item alike. Also, as market conditions change, grading standards change, and may continue to do so in the future. Your examination of the item(s) should be the criterion and not the grade represented by another. In any purchase or sale, the value of the item(s) is determined by the price. Catalogue price descriptions are only estimates as determined by SUPERIOR for the convenient reference of bidders and should not be relied upon as actual statement or prediction of current market value which is determined by auction sale.

Instructions for New Mail Bidders

If you have never used our mail bid system, here is an explanation. The procedure is quite simple. On the enclosed Mail Bid Form there is space provided for the lot number and the amount you are willing to bid. After carefully reading the description of the lot you wish to bid on, write down the lot number and the maximum amount you are willing to pay. For example, let us assume you are interested in bidding on Lot 1 and the maximum amount you are willing to bid is $350.00, your bid sheet should be as shown on the right.

A Buyer's Commission of ten (10%) on each individual lot will be added to all purchases made by all bidders and will be based upon the total amount of the final bid. THE BUYER'S COMMISSION WILL BE ADDED TO ALL INVOICES
We cannot be responsible for errors in bidding. CHECK YOUR BID SHEET CAREFULLY

The bid which you enter is the ''maximum amount'' or top price that you are willing to pay for a lot (unless you have checked one of the percentage increase boxes). However, there is always the possiblity that you may obtain the lot for less.

Before mailing, check your bid sheet for accuracy. Make certain that you bid on the correct lot and that your bid is the maximum you are willing to pay.

Bidding by mail permits you to participate in the auction as though you were in attendance. Many rarities are obtained through the medium of auctions and it can be a very exciting as well as a rewarding method of obtaining wonderful items for your collection. We look forward to your participation in our sale.

Thank you,
The Auction Department

Superior Galleries

Important Notice

The tetradrachms of Perseus bearing the full signature of Zoilus are the earliest of the reign. The signature appears to be that of a die engraver, and these early portraits are indeed the most distinguished of Perseus' coinage, emphasizing his resemblance to his father Philip V as a mark of dynastic legitimacy. On the other hand, the name of Zoilus is abbreviated as a monogram on subsequent isseus of Perseus, and also on the coinage of Philip V, suggesting that the artist may have served as a mint magistrate.

One of the most prosperous Milesian colonies situated in the remote area of the North Black Sea was famous for its fishing industry and its export of excellent Crimean grain. This beautiful gold stater is indicative of the city's wealth and the suprisingly high level of Greek numismatic art in this remote area far from the centers of Greek civilization. The representation of Pan on the obverse is probably a pun on the city's name while the griffin on the reverse probably represents the griffin as the legendary guardian of the sources of gold in the distant Ural mountains. The occasion for the first issue of this medallion was probably Magnentius' formal state entry into Aquileia in early A.D. 350. The reverse type resembles an even more elaborate medallion reverse of Constantius Chlorus depictng his arrival at London after "liberating" that city from Allectus, though the earlier medallion may not be a prototype so much as another expression of an established advent motif. The limp-lookig object held by the personified city of Aquileia has been identified as a scroll, presumably containing the text of a panegyric welcoming Magnentius to the city. The bare headed portrait on the obverse helps to date this multiple to the early phase of Magnentius' rebellion, when he still hoped to obtain recognition from the senior emperor at Constantinople, Constantius II.
